Decision of the Takeover Chamber in SIG matter

20 November 2006 - On 5 October 2006, Oyster Rock Ltd., a company acting in concert with the bidder, Romanshorn S.A., purchased 5.77% of SIG Holding Ltd.'s share capital. The according agreements stipulate a purchase price of CHF 325 as well as price amendment rules which allow the seller to benefit from an eventually higher takeover price. The Takeover Chamber of the SFBC has decided that these price amendment rules are contravening the principle of equal shareholder treatment.
